

J.S.V. Varshitha Tondapi

tondapivarshitha@gmail.com | +91 9959134366 | linkedin.com/in/jaya-sri-vishnu-varshitha-tondapi

Profile

A passionate student skilled in React.js, JavaScript, HTML, CSS, and modern web development tools. Experienced in building responsive and user-friendly web applications with a focus on performance and clean design. Familiar with API integrations and version control using Git. Eager to contribute creativity and technical skills to a dynamic team, and continuously grow in the field of frontend development.

Projects

- Spetra

Sep 2024 – Nov 2024

ReactJs

 - Built an Expense Tracker app using React.js, allowing users to manage and visualize income and expenditure with charts/graphs for better financial insights.
 - Integrated local storage for data persistence, and created a responsive UI with CSS for smooth cross-device use.
- Weathy

Mar 2024 – Apr 2024

ReactJS

 - Developed a real-time weather application using React.js and integrated OpenWeather API to display weather information
 - Implemented a search feature for users to search weather by city.
- Weather Analysis Using R

Apr 2023 – Jun 2023

R Programming

 - Conducted comprehensive weather data analysis leveraging R programming to uncover patterns, trends, and relationships among weather variables.
 - Utilized data visualization tools such as ggplot2 and plotly to create insightful visualizations, including time series plots and scatter plots

Education

Bachelor of Technology(AID) Vasireddy Venkatadri Institute of Technology	8.7 GPA	2021 – 2025
Intermediate Sri Chaitanya Junior College	96.3%	2019 – 2021
Higher Secondary School St.Ann's English Medium School	9.8 GPA	2016 – 2019

Skills

- Languages : Python, Java, R
 - Web development : HTML,CSS, JavaScript
 - Frontend Framework : ReactJS
 - Databases : SQL, MongoDB
 - Version Control System : Git,Github
 - Software Development Life Cycle(SDLC)
- Debugging
 - Communication
 - Management skills
 - Decision Making

Certificates

Data Structures and Algorithms using Java	Salesforce Developer	Google Data Analytics
---	----------------------	-----------------------

Achievements

- Led a team of 5 for Mini Project in R.
- Participated in a bootcamp of HTML & CSS
